# ABOUT THIS HIGHLIGHTS REPORT

## SCOPE

This highlights report, published on May 2, 2024, is a summary of Pentair's social responsibility program. Please refer to our full [2023 Corporate Responsibility Report](#) for more information. Our full report supplements information in our [Annual Report on Form 10-K](#) for the year 2023. Otherwise noted, data in this report is based on calendar year 2023.

Our GHG emissions inventory for Scope 1 and 2 emissions follows the World Resources Institute/World Business Council on Values and Ethics (WBCV) Greenhouse Gas Protocol Corporate Accounting and Reporting Standard. Our GHG emissions and water inventories include owned and leased sites where Pentair has full operational control, including our recently acquired businesses. Sites that are less than 0.1% of our 2022 GHG emissions or water inventories are estimated based on square footage and using Commercial Building Energy Consumption Survey, World Bank, and extrapolation from similar Pentair sites. Please note the scope details within footnotes and the ESG Index.

## 70700000

## FEEDBACK

We recognize the dynamic nature of social responsibility and its implications. We believe organizations that understand their social responsibility risks and proactively incorporate them into their holistic business strategy are well-positioned for success, sustainability, and future growth. This report can be used to demonstrate commitment to social responsibility and to measure and compare performance over time. We intend to continue annual reporting. For questions or comments, please contact [ESG@pentair.com](mailto:ESG@pentair.com).

## ASSURANCE
