

# BLENDED REVERSE OSMOSIS SYSTEM

System Part Number: EV9975-78

EZ-RO 650/50ATM-BL

EZ-RO 650/50ATM-BL  
four stand bracket

50-gallon atmospheric tank

\*Not performance tested or certified by NSF.

## SYSTEM DESCRIPTION

## FEATURES • BENEFITS

- ◆ Meets NSF 61 and NSF 58 standards; known to significantly reduce lead and copper levels
- ◆ High flow 1/2" ID hose optimized water filtration
- ◆ Installation kit comes complete with tubing, fittings, and mounting hardware
- ◆ High efficiency RO membrane saves up to 50% on energy costs
- ◆ Sealed atmospheric storage tank
- ◆ High efficiency RO membrane saves up to 50% on energy costs
- ◆ Built-in bypass, sample port and flush valves speed up installation and maintenance

## INSTALLATION TIPS
